

DUTCH CAVY CLUB

SPRING 2021 ONLINE SHOW

DATE: 24TH APRIL 2021

JUDGE: AMY HEALE

Judge writes:

I would like to thank everyone for entering. The biggest thank you to Simon for kindly agreeing to take the entries and put the show together for us, hence allowing me to judge.

This last year has been very tough for us all, but I would like to think one good thing which has come out of it is that the Cavy Fancy from all around the world have been able to come together. I think it's wonderful to be able to welcome members from all these countries. It really brings more to the club to be able to have pigs compete from all our UK & Worldwide members who decide to exhibit. I also find it extremely interesting to see new colours which we don't see within the UK.

Going forward I hope we can keep our new overseas members, even when we finally have shows in person. I hope we maybe able to hold something online in the future for us to all come together still.

I have been impressed with the quality of pigs entered under me. As we all appreciate there are limitations to judging from photographs, and you can't beat getting your hands on the pigs in real life.

I have to be honest, I found judging a lot harder than I anticipated. I have taken my time and really studied the pictures. I appreciate not everyone has the same photographic skills, also I know it can be hard sometimes to take photos if you are doing it on your own - as we all know some Dutch can be rather spirited at times! So I have tried my hardest to look past this and look at the markings the best I can.

Please find full results below.
